

PRE-EXPORT VERIFICATION OF CONFORMITY (PVoC)

EXPORTER AND IMPORTER GUIDELINES REPUBLIC OF UGANDA

OVERVIEW

The Uganda National Bureau of Standards (UNBS) has implemented guidelines called the Pre-Export Verification of Conformity (PVoC) to Standards Programme.

It is a Conformity Assessment and Verification procedure applied to specific goods/products in the exporting country, to ensure their compliance with applicable Ugandan Technical Regulations and Mandatory Standards or approved equivalents.

Consignments subject to PVoC must obtain a Certificate of Conformity (CoC) for Customs clearance in Uganda.

PRODUCT COMPLIANCE

Products requiring a Certificate of Conformity

Every consignment of regulated goods exported to Uganda requires a Certificate of Conformity for clearance at Ugandan Customs. The regulated products shall comply with the Ugandan Essential Requirements, Technical Regulations and approved Standards prior to their export to Uganda.

Products exempt from a Certificate of Conformity

Exporters are advised to verify in the UNBS website for an updated and complete list of Excluded, Prohibited, and Restricted Products. The List also available on www.intertek.com these products include but not limited to:

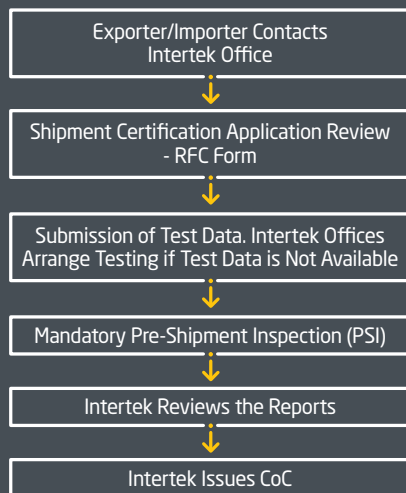

- Drugs
- Agricultural
- Unwrought Precious Metals or Precious Stones
- Armoured Fighting Vehicles

ROUTES TO EXPORT

Unregistered/Unlicensed (For Occasional Exporters)

Intertek offers services in the evaluation of products according to the requirements mandated by UNBS. The evaluation process includes the following:

- Physical inspection of goods which includes verification of the product's essential markings and physical requirements as per approved Ugandan Standards and technical regulations.
- Testing according to the applicable product safety standard or technical regulation by an accredited laboratory such as Intertek prior to their export to Uganda
- Issuance of CoC on successful evaluation of Test Report and physical inspection.
